14 preliminary decision issued under sub. (2), the department shall enter the
15 preliminary decision as its final decision on issuing the permit or entering the
16 contract.

17 (6) PROCEDURES WHEN OBJECTIONS RECEIVED. (a) If the department determines

8 the persons making the substantive written objections and the applicant for the
9 permit or contract agree to the method under par. (a) 3.

10 (c) If a dispute resolution proceeding is conducted under par. (a) and if an
11 agreement is reached, the parties to the proceeding shall submit the agreement to
12 the department for approval. In approving the decision, the department may amend
13 the agreement in order to protect the public rights or interests in the navigable
14 waterway affected by the agreement. If an agreement is not reached or if the
15 department does not approve the agreement, the department shall order a public
16 hearing under sub. (8).

17 (d) If the department determines under sub. (5) that an objection to a
18 preliminary decision is a substantive written objection but that the project proposed
19 under the permit or contract does not affect a public right or public interest in a
20 navigable waterway, the department shall notify the applicant of its determination
21 and shall allow the person making the substantive written objection to choose any
22 of the following methods as a means to resolve the dispute presented by substantive

1 2. A dispute resolution proceeding, if agreeable to the applicant for the permit
2 or contract and the person making a substantive written objection.

3 (e) If the department determines under par. (d) that there is more than one
4 substantive written objection to a preliminary decision, the department shall use the
5 method under par. (a) 1. to resolve the dispute unless all of the persons making the
6 substantive written objections and the applicant for the permit or contract agree to
7 the method under par. (a) 3.

8 (f) If a dispute resolution proceeding is conducted under par. (d) and if an
9 agreement is reached, the parties to the proceeding shall submit the agreement to
10 the department for approval. In approving the decision, the department may amend
11 the agreement in order to protect the public rights or interests in the navigable
12 waterway affected by the agreement. If an agreement is not reached or if the
13 department does not approve the agreement, the department shall conduct an
14 informal hearing as provided in par. (d) 1.

15 (g) If the department determines under sub. (5) that an objection to a
16 preliminary decision is not a substantive written objection, the department shall
17 enter the preliminary decision as its final decision on issuing the permit or entering
18 the contract.

19 (h) If the final decision under par. (g) is to issue the permit or enter the contract,
20 the stay under sub. (5) (a) is automatically extended for 10 days after the decision
21 becomes final.

22 (7) INFORMAL HEARING AND DISPUTE RESOLUTION PROCEEDINGS. The department

16 review under ss. 227.52 to 227.58.

17 (10) AMENDED DECISIONS. The department shall amend or reverse a preliminary
18 decision instead of entering it as the final decision under sub. (5) (b) or (7) if, after
19 issuing its preliminary decision, the department receives information concerning the
20 permit or contract and if based on that information the department determines it is
21 necessary to amend or reverse its decision. If the department amends or reverses the
